Emergency Connectivity Fund Questionnaire

If you cannot afford home Internet service, you may be eligible to get it for free. Congress has created the Emergency Connectivity Fund (ECF) to pay 100% of residential Internet service costs of eligible participants through June 30, 2022. The library has been authorized to request this funding on behalf of library patrons.

To help us determine our patron's needs, please complete this survey before August 12, 2021 and return it to an Information Desk at the Daviness County Public Library.
